

Let us sing together, let us sing together one and
all a joyous song. Let us sing together one and all a
joyous song. Let us sing again and again. Let us sing
again and again. Let us sing again and again one

and all a joyous song.

Peace, shalom, salam aleikum. 3x
Vrede wens ik jou!

**Last night I had the strangest dream I ever dreamed before. I dreamed the world had all agreed to put an
end to war.** I dreamed I saw a mighty room that room was filled with men. And the paper they were signing
said they'd never fight again.

And when the papers all were signed and a million copies made they all joined hands and bowed their heads
and grateful prayers were prayed. And the people in the streets below were dancing round and round and
guns and swords and uniforms were scattered on the ground.

Tegenstem: For a better world we pray, let us try it day by day. Stop the shooting, stop the shouting, stop the
fighting stop the war.
