

Dat vrede in je hart en je ziel zal zijn...

Between darkness and light I will always walk and wherever I will go
I will open a window of light and will plant the seeds of love.

Waking into the light.

(Deze 2 zinnen kunnen door elkaar gezongen worden.)

Dans nos obscurités allume le feu qui ne s'éteint jamais, qui ne s'éteint jamais.
(Als alles duister is ontsteek dan een lichtend vuur dat nooit meer dooft, vuur dat nooit meer dooft.)

Kindle a flame to lighten the dark and take all fears away.

Rise up o flame by the light glowing. Bring to us beauty, vision and joy.
(Dit is een 8-stemmige canon. Na 'rise up o' begint een nieuwe inzet.)

Let the way of the heart 3x shine through. (2x)
Love upon love upon love. All hearts are beating as one.
Light upon light upon light. Shining as bright as the sun.

Sunrise over the mountain spreading your light over the land. Sunrise another new morning, we celebrate with love in our hearts.

May the longtime sun shine upon you, all love surround you.
And the pure light within you guide your way on.
