I bless the day I found you.

I want to stay around you, and so I beg you, let it be me.

Don't take this heaven from one, if you must cling to some-one,  
now and forever. Let it be me.

Each time we meet love I find complete love.

With out your sweet love. What would life be?

So never leave me lonely. Tell me you'll love me only.

And that you'll always. Let it be me. (herhalen vanaf each time)
